

# ERIE COUNTY WATER AUTHORITY

## INTEROFFICE MEMORANDUM

March 18, 2019

To: Terrence D. McCracken, Secretary to the Authority

From: Leonard F. Kowalski, Senior Distribution Engineer

Subject: Contract W-027  
36-inch Transmission Main  
Between Millersport Highway and Sheridan Drive  
Town of Amherst, NY  
ECWA Project No. 201700093

---

The following documents are attached:

- Blue Authorization Form – this form provides the project name and project number, the action that is being requested of the Board (resolution to advertise for bids) and a list of approvals that are required prior to being acted on by the Board.
- One Project Manual.

The above referenced project was designed by Wendel WD Architecture, Engineering, Surveying, and Landscape Architecture, P.C. (Wendel).

Contract W-027 consists of the construction of approximately 3,100 linear feet of transmission main replacement in an existing easement east of the I-290 highway between Millersport Highway and Sheridan Drive, in the Town of Amherst, including a bore under Millersport Highway.

This project is being partially funded by a grant from the Environmental Facilities Corporation (EFC). The grant requirements are in Appendix E.

The Project Manual contains language for the Authority's Apprenticeship Policy and language for the recently passed New York State law that addresses Anti-Sexual Harassment.
