

ERIE COUNTY WATER AUTHORITY

INTEROFFICE MEMORANDUM

August 8, 2022

To: Terrence D. McCracken, Secretary to the Authority

From: Michael Wymer, Senior Production Engineer *MW*

Subject: Sturgeon Point Water Treatment Plant
Filtration Piping, Valve, and Underdrain Improvements
MP-090-P04 Blowers
ECWA Project No. 202200014

On Friday August 5, 2022, the Authority received two (2) bids for the above referenced contract. The bids were reviewed, a mathematical check has been performed and the apparent lowest acceptable bidder is Koester Associates, Inc. Enclosed please find a copy of the bid tabulation sheet for your use and information.

Koester Associates, Inc. is an established equipment supplier for the water industry. Koester Associates, Inc. has provided blowers of a similar nature to other related filter projects in a competent, reliable, and acceptable manner. They have demonstrated a good understanding of the scope and requirements for this contract.

The Engineer's estimate for the contract was \$378,000.00. The bid submitted by Koester Associates; Inc. is \$260,000.00. As noted in the attached recommendation letter, Arcadis believes that the cost is consistent with budget expectations. This equipment is not subject to the American Iron and Steel Requirements.

Approval by our Claims Representative/Risk Manager is conditional based on receipt of final insurance certificates. There is no apprenticeship program or WMBE participation requirements on this contract.

We, therefore, recommend award of the above referenced contract to Koester Associates, Inc. in the amount of \$260,000.00. It is expected that 10% of this amount will be spent in 2022. The Authority's 2023 budget will include funding for the remaining balance.

Budget Information (2022 Construction):

Unit: 2510 Eng/Const Sturgeon Point

Item 101506 Filter Gallery Piping Design (\$1,248,417.00 remains)

Attached please find the following documents:

1. ECWA Authorization Form.
2. ECWA Recommendation for Award of Contract form.
3. Bid Tabulation.

ECWA Project No.: 202000014
Blower Procurement – Sturgeon Point Water Treatment Plant, Filtration Piping, Valve, and
Underdrain System Improvements
Recommendation Regarding Award of Procurement Contract

Dear Mr. Kowalski,

Bids for the above-referenced Project were received by the Erie County Water Authority (Authority) and opened on August 5, 2022 at 10:00 a.m. at the ECWA Service Center. This letter presents our recommendations relative to award of the Project's procurement contract. Overall, it appears that the Bids received are consistent with the Authority's budgeting expectations.

Bids were received from the following Vendors:

- Koester Associates, Inc.
- Siewert Equipment

Enclosed is a tabulation of the Bids received.

Publicity of Project

In addition to the Authority's Invitation to Bid, Arcadis of New York, Inc. (Arcadis) made significant efforts to engage prospective Bidders regarding this Project. Arcadis furnished copies of the Bidding Documents and other information to Avalon Document Services (the Issuing Office) and the Construction Exchange.

Arcadis e-mailed numerous vendors that have supplied similar equipment on previous public works projects in western New York.

General Contract

Bid Items: This Contract includes a base bid only, without alternative bid items.

Bid Evaluation and Responsiveness: The apparent low Bid was submitted by Koester Associates, Inc. (Koester) of Canastota, New York. We have evaluated Koester's Bid and determined it to be mathematically correct. Koester's Bid appears to comply with the requirements of the Bidding Documents.

Leonard Kowalski, PE
Erie County Water Authority
August 5, 2022

Recommendations

We recommend the following:

1. Because Koester submitted the lowest-priced, responsive, and responsible Bid for the Procurement Contract, subject to review and approval by the Authority, we recommend awarding the Procurement Contract to Koester, 3101 Seneca Turnpike, Canastota, NY 13032 as the Successful Bidder, in the total amount of \$260,000.00.
2. The Contract award should be contingent upon the Successful Bidder furnishing acceptably-executed Contract Documents and acceptable insurance, performance bond, and maintenance bond.
3. Upon the Authority's receipt of acceptable insurance, performance bond, maintenance bond, and signed originals of the Contract Documents from the Successful Bidder, the Authority should execute the Contract Documents and Notice to Proceed. After subsequently executing the Contract Documents and Notice to Proceed, the Authority should distribute the executed original Contract Documents and Notice to Proceed to each of the following: Authority, Contractor, and Engineer.

Should you have questions or comments, please contact me at 716 667 6670.

Sincerely,

Arcadis of New York, Inc.
