To: Terrence D. McCracken, Secretary to the Authority

From: Clayton J. Johnson, PE, Production Engineer

Subject: Contract W-035-A
Storage Tank Refurbishing
Gartman, Chestnut Ridge, Sturgeon Point Clearwells
ECWA Project No. 202300060

On Tuesday, February 13, 2024, the Authority received three (3) bids for the above referenced contract. The bids have been reviewed, a mathematical check has been performed, and the apparent low bidder, Amstar of WNY, Inc. (Amstar), was found acceptable.

Amstar is an established contractor for the Authority who has previously worked on ECWA tank refurbishment contracts, performing the work in a competent, reliable, and acceptable manner. They have demonstrated a good understanding of the scope and requirements for this contract.

The contract includes Base Bid and Alternate Bid Items; Amstar bid was low for the base bids as well as the selected alternate items.

Amstar has provided adequate insurance, approved by the Claims Representative/Risk Manager, and proof of apprenticeship program, approved by the Coordinator of Employee Relations. MWBE documentation is currently under review by the Director of Administration.

We, therefore, recommend the award of the above referenced contract for the Base Bid and Alternate Bids Items 1.1A, 1.8A, 2.5 A, 3.4A, and 4.4A in the amount of \$1,229,350.00 to Amstar of WNY, Inc., conditioned on the approval of MWBE documentation prior to March 21, 2024.
