From: David M. Patton, Senior Production Engineer *DMP*

Subject: Sturgeon Point Water Treatment Plant  
Residuals/Sludge Removal, Disposal, and Relocation  
ECWA Project No. 202200111

---

On Tuesday, August 19, 2022, the Authority received three (3) bids for the above referenced contract. The bids have been reviewed, a mathematical check has been performed. It has been determined that the Authority will not need additional work completed by Item 4a, 4b, 4c, or 4d and the apparent low bidder based on the total of Item 1, 2, and 3 only is Russo Development, Inc. (Russo). Enclosed please find a copy of the bid tabulation sheet for your use and information.

We have reviewed the references of Russo. Russo is an established contractor who has performed numerous contracts for the Authority in a competent manner. They have good understanding of the scope and requirements for this contract.

Russo provided adequate WMBE documentation, approved by Director of EEO (ECWA), insurance, approved by Claims Representative/Risk Manager, and proof of apprenticeship program, approved by Secretary to the Authority.

We, therefore, recommend award of the Sturgeon Point Water Treatment Plant Residuals/Sludge Removal, Disposal, and Relocation Contract to Russo Development, Inc. in the amount of \$480,480.00.
