

ERIE COUNTY WATER AUTHORITY

INTEROFFICE MEMORANDUM

June 7, 2023

To: Terrence D. McCracken, Secretary to the Authority

From: David M. Patton, Senior Production Engineer *DMP*

Subject: Sturgeon Point Water Treatment Plant
Residuals/Sludge Removal, Disposal, and Relocation
ECWA Project No. 202300097

On Tuesday, May 30, the Authority received three (3) bids for the above referenced contract. The bids have been reviewed and a mathematical check has been performed. It has been determined that the Authority will utilize Base Bid (Item 1) along with all Alternate Bid Items (Item 2, 3, 4A, 4B, 4C, and 4D) and the apparent low bidder is Russo Development, Inc. (Russo). Enclosed please find a copy of the bid tabulation sheet for your use and information.

We have reviewed the references of Russo. Russo is an established contractor who performed work on numerous contracts for the Authority and proved to be a reliable contractor performing assignments in a timely and competent manner. Russo also performed the work removing sludge from Sturgeon Point in 2021 and 2022, therefore, they have a good understanding of the scope and requirements for this contract.

Russo provided adequate WMBE documentation, approved by Director of EEO (ECWA), insurance, approved by Claims Representative/Risk Manager, and proof of apprenticeship program, approved by Coordinator of Employee Relations.

We, therefore, recommend award of the Sturgeon Point Water Treatment Plant Residuals/Sludge Removal, Disposal, and Relocation to Russo Development, Inc. in the amount of \$767,568.00.

Attached please find the following documents:

1. ECWA Authorization Form.
2. ECWA Recommendation for Award of Contract form.
