Subject: Contract No. CPL-007
Water System Improvements
Town of Cheektowaga
ECWA Project No. 202000070

On Tuesday, January 12, 2021, the Authority received six (6) bids for the above referenced contract. The Consultant has reviewed the bids, a mathematical check has been performed, and the apparent lowest responsible bidder is New Frontier Excavating and Paving, Inc. (New Frontier). A mathematical error made by DJM Contracting, Inc. did not preclude New Frontier from being the apparent low bidder. Enclosed please find a copy of the letter of recommendation from the Consultant, Clark Patterson Lee, as well as the bid tabulation sheet for your use and information.

New Frontier is a competent contractor who has performed similar work for ECWA and various municipalities and agencies in Western New York in an acceptable manner. They have good understanding of the scope and requirements for this contract. The Engineer's estimate for the contract was \$3,636,910.00 and the bid by New Frontier is \$3,163,360.00.

New Frontier has provided adequate WMBE documentation, approved by Director of EEO (ECWA), insurance, approved by Claims Representative/Risk Manager, and proof of apprenticeship program, approved by Coordinator of Employee Relations.

We, therefore, recommend award of Contract, CPL-007 to New Frontier Excavating and Paving, Inc. in the amount of \$3,163,360.00, subject to legal review.

**RE: AWARD OF CONTRACT
CONTRACT NO. CPL-007
WATER IMPROVEMENTS, TOWN OF CHEEKTOWAGA
ECWA PROJECT NO. 202000070**

Dear Mr. Kowalski:

Bids for the above referenced project, were opened and read aloud at 11:00 AM on January 12, 2021. A recording of the bid opening and the results were posted to the ECWA website. Six (6) bid proposals were received.

CPL has reviewed the bid proposals and determined that the lowest bid was submitted by New Frontier Excavating and Paving in the amount of \$3,163,360.00. The second lowest bidder was 716 Site Contracting (\$3,550,765.00) followed by 4th Generation Construction (\$3,745,070.00), CMH Company (\$3,964,025.00), Villager Construction (\$4,055,890.00) and DJM Contracting (\$4,089,305.00). DJM's bid contained mathematical errors but it did not impact their bid price. Attached is an itemized bid tabulation prepared by CPL which indicates the corrections made to the bids containing errors.

CPL has reviewed the qualifications of New Frontier and has determined the company has successfully completed waterline installations for various municipalities and agencies throughout Western New York. CPL has previously worked with New Frontier on multiple road reconstruction projects along with ECWA Contract CPL-004 Water System Improvements in the Town of Clarence. Each project has been completed successfully. We have reviewed the ECWA's procedures and the project scope with the contractor and believe that they are fully aware of the job requirements and are prepared to meet them.

Therefore, CPL recommends, pending the ECWA's review and approval of the bid bond and W/MBE requirements, that the construction contract CPL-007 be awarded to the lowest responsible bidder, New Frontier Excavating and Paving, Inc., in the amount of \$3,163,360.00.

Very truly yours,

CPL
