

ERIE COUNTY WATER AUTHORITY

INTEROFFICE MEMORANDUM

March 29, 2022

To: Terrence D. McCracken, Secretary to the Authority

From: Michael J. Quinn, Senior Distribution Engineer 

Subject: Excavated Material Removal and Disposal
April 1, 2022 through March 31, 2024
ECWA Project No. 202200013

On Tuesday, February 15, 2022, the Authority received three (3) bids for the above referenced contract. The bids have been reviewed and a mathematical check has been performed.

The mathematically low bidder, Swan Trucking West, Inc., had a mathematical error in their Bidder's Proposal, which did not alter their position as a low bidder. However, they were not able to fulfill all the contract requirements and were determined to be not responsive and not responsible.

The responsible and responsive lowest bidder was Concrete Applied Technologies Corp. d/b/a CATCO (CATCO). We have reviewed the references of CATCO. This is a new contractor for the Authority for this type of contract; however, they were the contractor for Contract W-027, 36-inch Transmission Main Replacement Project and seem to have good understanding of the scope and requirements for this contract.

CATCO provided adequate WMBE documentation, approved by Director of EEO (ECWA), insurance, approved by Claims Representative/Risk Manager, and proof of apprenticeship program, approved by Secretary to the Authority.

We, therefore, recommend award of the Excavated Material Removal and Disposal Contract to Concrete Applied Technologies Corp. d/b/a CATCO in the amount of \$833,250.00, subject to legal review.

Attached please find the following documents:

1. ECWA Authorization Form.
2. ECWA Recommendation for Award of Contract form.

Budget Information (Budget Year 2022):

Unit: 2535 Restoration

O&M Budget Item No. 18 Payments to Contractors – Restore

The Authority 2023 and 2024 budgets will include funding allocations for subsequent years.
