Subject: 2021/2022 Insurance Renewals

The Authority's insurance policies are set to renew on July 1, 2021. Some of the larger policies the Authority is seeking to bind are general liability, automobile, property, cyber, public officials, umbrella, and workers compensation coverage.

Lawley Agency, LLC will present a preliminary renewal package at the board meeting on June 10, 2021, including potential carriers, the type and the extent of coverage, and the estimated cost for each policy. The final renewal package will be included for board consideration at the June 24, 2021 meeting with a resolution authorizing the Chief Financial Officer to sign renewal applications binding coverage for the 2021/2022 period.

If you have any questions before the June 10th meeting, please call me and I would be happy to discuss the upcoming renewal with you.
