

ERIE COUNTY WATER AUTHORITY
INTEROFFICE MEMORANDUM

March 31, 2026

Confidential Critical Infrastructure Information

To: Jennifer Hibit, Secretary to the Authority

From: Marc A. Bellacose, Distribution Engineer *MAB*

Subject: Conceptual Design Reports and Drawings for Quonset Hut & Control Building Improvements at Sturgeon Point Treatment Plant
ECWA Project No. 202600005

The Erie County Water Authority (ECWA) recently issued a Request for Proposals for consulting engineering services for conceptual design reports and drawings for addressing deteriorating conditions on the Quonset Hut building and building improvements within the Control Building at Sturgeon Point Treatment Plant.

A Request for Proposals was prepared and sent to seven consulting engineers: DiDonato Associates Engineering & Architecture, PC, Greenman-Pedersen, Inc., JM Davidson Engineering, Inc., Hunt E/A/S, LaBella Associates, Nussbaumer & Clarke, Inc., and Wendel WD Architecture. The proposal was deemed confidential and sent only to these consultants and not posted on ECWA website.

Five proposals were submitted: one from DiDonato Associates Engineering & Architecture, PC, one from Hunt E/A/S, one from JM Davidson Engineering, Inc., one from LaBella Associates, and one from Nussbaumer & Clarke, Inc.

The proposals were reviewed and discussed among the Engineering, Production, and Control Department staff. Experience, staffing, scope, cost and project approach were considered. It was determined that DiDonato Associates Engineering & Architecture, PC possessed relevant qualifications to perform the proposed work.

The Engineering Department will move forward with negotiations with DiDonato Associates Engineering & Architecture, PC, to develop a Professional Services Contract for the referenced project.

Budget Information:

Unit: 2510 Engineering/Construction Sturgeon Point Plant
Item: 101869 Miscellaneous Building Improvements
