

ERIE COUNTY WATER AUTHORITY

INTEROFFICE MEMORANDUM

March 31, 2026

Confidential Critical Infrastructure Information

To: Jennifer Hibit, Secretary to the Authority

From: Seth L. Krull, PE, Senior Production Engineer *Seth Krull*

Subject: Secondary Chemical Containment and Emergency Eyewash and Shower Improvements
ECWA Project No. 202600013

The Erie County Water Authority (ECWA) recently issued a Request for Proposals for consulting engineering services for the following:

- Secondary Containment Improvements and Underground Chemical Tank Replacements at Sturgeon Point and Van de Water Treatment Plants
- Emergency Eyewash and Shower Improvements at various ECWA facilities

A Request for Proposals was prepared and sent to six consulting engineers: Arcadis, Barton & Loguidice DPC, Greenman-Pedersen, Inc., Hazen DPC, Hunt EAS, and Labella DPC. The proposal was deemed confidential and sent only to these consultants and not posted on ECWA website.

Three proposals were submitted: one from Hazen DPC, one from Hunt EAS and one from Labella DPC.

The proposals were reviewed and discussed among the Engineering, Production, and Control Department staff. Experience, staffing, scope, cost and project approach were considered. It was determined that Hazen DPC possessed relevant qualifications to perform the proposed work.

The Engineering Department will move forward with negotiations with Hazen DPC to develop a Professional Services Contract for the referenced project.

Budget Information:

Unit: 2510 Engineering/Construction Sturgeon Point
Item: 101867 Chemical Handling Improvements

Unit: 2515 Engineering/Construction Van de Water
Item: 101872 Chemical Handling Improvements
